

MTS Fellow

The grade of Fellow is limited to MTS members who have made outstanding contributions to the advancement of the Society's objectives and who have distinguished accomplishments and experience in their professional fields.

Nomination Overview

- Nominee must be a current MTS member and have been an MTS member in good standing for at least five (5) years.
- Nominee must be sponsored (nominated) by at least three (3) MTS members in good standing. Sponsors do not need to be MTS Fellows themselves. Sponsors' signatures are required. The primary sponsor completes this form. The second and third sponsors provide their contact information.
- This Primary Sponsor Form must be accompanied by the nominee's resume/ biographical material.
- This Primary Sponsor Form and all supporting material, including biographical material, must be submitted by the primary sponsor. Complete nomination applications and the Second Sponsor and Third Sponsor Forms must be submitted online no later than May 31. Incomplete applications will not be accepted.
- Nomination packages are valid for one year only.
- Rejected nominations may be reconsidered the following year.
- Nomination packages are considered final once submitted.
- A cover letter is recommended.

Application Components

- Your contact information
 - Your nominee's contact information
 - Nominee's biographical information (resume or CV)
 - Nominee's contributions
 - Service to the Marine Technology Society is weighted heavily in the evaluation of the nominee.
 - Check only those areas that apply to the nominee. (There is little correlation between evaluation and number of areas checked.)
 - On a separate sheet(s), justify each selected area with information and examples. **Please limit each response to no more than 2,000 characters, including spaces, per selected area.**
