

Ocean News & Technology Young Professional Award

Presented to an individual 35 years old or younger who is an MTS member in good standing who has shown leadership in MTS and who works in a professional capacity in management, engineering or research and development in a marine technology field; open to those from any country or territory outside the United States.

Only one completed nomination form will be accepted for each candidate. If a completed nomination form has already been accepted for your candidate, you will be notified. Only the information requested on this form will be used in the review of your candidate. Complete nomination packets are due by May 31.

Required Information

- Your contact information
- Contact information of nominee
- Qualifications - choose only those areas that apply. Please note that the relative strength of a nomination is not determined by the number of boxes checked. Limit the selection of qualifications to areas where the candidate's contributions are outstanding. You will be required to provide a statement of justification for each qualification you select from the list below:
 - Leadership in MTS
 - Advances in Research
 - Advances in Development
 - Advances in Design
 - Advances in Manufacturing
 - Contributions to Education
 - Contributions to Administration in Academia, Government or Non-governmental organizations
 - Contributions to Communications, Public Understanding of Technology and/or Technology Policy
 - Contributions to Public Service
- Letter of nomination or other supporting documentation

The nomination process is competitive. Please be sure to include enough information about your nominee to provide the Awards Nominating Committee with a complete description of your nominee and his/her/their accomplishments.
